Men Who Judge Our Liquors
merely from our display can form no idea of the fine flavor and the rich bouquet of the contents of the bottles. It isn't the pretty label or the catch brand name that makes our wines and liquors so good. It is their purity, their natural ageing and careful bottling. Try a bottle. It's as good as it looks.

Some One

Has said that we were not particular about the trade of Alexandria city, and we want the people here to know that such statement is absolutely false.

A Business Man

Would be an idiot to come to a city, invest money in heavy expenses, including taxes and other things, and then even intimate such a statement as this.

We Desire Your Trade

In Liquors and to that end we intend to publish every week our line of goods and invite you to call and look them over.

The 48th Anniversary Sale is Nearing its End--Come!

All during this sale we've been doing a business full of snap and go—a live-wire business with sparks flying at all ends. But for the remaining days this great merchandising masterpiece will go—more energy, more snap and go—more live-wire offerings.

Stocks are rearranged, new goods added, the low active stocks given an extra incentive. Truly, we have given "buying incentive" a vivifying tonic.

You know the character of the goods on sale. No rag-tag, drib-end dumpings and leavings of this and that manufacturer—bought cheap because cheap. Not for us—or for you. Fine, fresh, seasonable goods of our regular high standard quality—the best products of the world's best manufacturers. The kind of merchandise most stores refuse to sell at less than regular prices.

But the important thing—

The Sale is Nearing its End!—Come! Hurry!
